

LAND DIVISION & PROPERTY BOUNDARY CHANGE APPLICATION NELSON TOWNSHIP

The Nelson Township Land Division Ordinance and the Michigan Land Division Act require approval of a division of land before it is sold or transferred. This form details the information required for land division approvals, lot line adjustments, or boundary changes. Also, this form is designed to ensure compliance with all local zoning requirements and all aspects of the Michigan Land Division Act. Additionally, to ensure that local zoning requirements are met and to aid the efficient processing of deeds through the County, property boundary changes or lot line adjustments also require approval. **Please read the application thoroughly before completing, and please fill out completely before submission to the Township. No request will be considered unless all the required information is submitted.**

Prior to submitting your application please ensure and submit the following:

1. All land divisions and boundary changes require a stamped survey by a professional surveyor. **Handwritten legal descriptions or sketches drawn on surveys will not be accepted.**
2. All surveys must be to scale on letter, legal, or 11" by 17" sized paper and must include:
 - a. The Date of the survey, a North Arrow, and the name of the person or firm responsible for the preparation of the survey.
 - b. Proposed boundary lines, dimensions, and lot size of each new parcel.
 - c. An adequate and accurate legal description of each resulting parcel.
 - d. Location and legal description of existing easements and rights-of-way.
 - e. Any existing structures or improvements (buildings, wells, septic systems, driveways, etc.) and the setback from any new, changed, or prior property line and/or proposed or existing public or private road to the overhang of the structure or improvement.
 - f. The location of ALL natural or man-made water bodies.
 - g. The location of any public or private street, driveway, or utility easement to be located within any resulting parcel. Copies of the instruments describing and granting such easements shall be submitted with the application.
3. Where relevant, provide an accurate history of the property relating to underground storage tanks, dumps, contamination, deed restrictions, easements, etc.
4. All taxes and special assessments are paid.
5. Property owners are strongly urged to have the property perked prior to land division application.
6. In cases where steep grades or wet lands are involved, it is recommended to ensure ability to obtain a driveway permit from the Kent County Road Commission.
7. A copy of any transferred division rights, clearly identifying the number of division rights each parcel is to receive. (Form L-4260A must be completed and attached to fulfill this requirement.)
8. The filing fee of \$50.00 per each new legal description must accompany this application (i.e. if you create two new lots in addition to the Parent Parcel, the fee is \$150.00.)
9. Tax Payment Certification for Land Division from Kent County Treasurers Office. One for each parcel involved in split/combination/lot line adjustment. (\$5 fee will be required for each parcel)

NELSON TOWNSHIP

SECTION VI – AFFIDAVIT AND PERMISSIONS

Please read the following statement carefully before signing. The statement grants permission for municipal, county, and state officials to enter the property for necessary inspections.

I agree the statements made on this document are true, and if found not to be true, this application and any approval (s) will be void.

Further, I agree to comply with the conditions and regulations provided with this parent parcel or parent tract division.

Further, I agree to give permission for officials of Nelson Township, Kent County, and the State of Michigan to enter the property where this parcel or tract division is proposed for purposes of inspection, to verify that the information on the application is correct.

Further, I understand that any approval of land division as requested in this application constitutes approval to create a land division pursuant to the State Land Division Act (formerly the Subdivision Control Act, P.A. 288 of 1967, as amended {particularly by P.A. 591 of 1996}, MCL 560-101 et Seq.) and does not provide, constitute, infer, or imply use of zoning approval of any such division, easement, or resulting parcels, or provide, constitute, infer, or imply buildability or compliance with any applicable statute, law, building code, deed restriction, or property right.

Finally, even if this division is approved, I understand local zoning ordinances, and State Acts change from time to time, and if changed, the divisions made here must comply with the new requirements (i.e., apply for division approval again) per the Nelson Township Land Division Ordinance.
